

District Administrators Other Than the Superintendent

The Board of Education establishes District administrative and supervisory positions in accordance with the District's needs and State law and regulations. The general duties and authority of each administrative or supervisory position are approved by the Board, upon the Superintendent's recommendation, and contained in the respective positions job description. The Board has established the following District administrative positions: District Controller, Assistant Superintendent for Student Learning and Support Services, Assistant Superintendent of Human Resources, Director of Special Education, Director of Physical Plant and Operations, Director of Technology and Information Services, and Director of Network Infrastructure.
