### Special Education

Community High School District 99 provides appropriate educational opportunities for all students to age 21, regardless of their disability. District 99 offers through district and cooperative programs, a full continuum of special programs and related services for students. District 99 adheres to all provisions of the Individuals with Disabilities Education Act (IDEA-Federal), the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, Articles XIV of the Illinois School Code, and Illinois Administrative Code 226, as they pertain to the education of handicapped students.
