North High School
Realizing Individual Potential for the World Community

School Year 2009-2010

Dear Parent/Guardian and Student,

Thank you for your interest in the enrollment and registration procedure at North High School.

Please read the following information carefully.

To begin, you must inform the current school of your intent to leave and complete their withdrawal process. It is your responsibility to request transfer records.

- Refer to the **Required Enrollment Documents** list to assist you in gathering the necessary documents.
- Complete the following enclosed forms:
 - ✓ Student Information Form
 - ✓ Release of Records
 - ✓ Residency Affidavit
 - ✓ Special Needs History Information

The following documents are **absolute** requirements prior to registration:

- Proof of Residency
- Health and Immunization Records (per School Code of Illinois)
- ISBE Student Transfer Form stating that the student is not currently serving a suspension or expulsion (per School Code of Illinois)

Also, in accordance with the Missing Children's Act, it is mandatory that an official birth certificate be submitted within 30 days of enrollment.

Students who are enrolled and later found not to be legal residents are subject to immediate dismissal.

Illinois law has made it a crime to knowingly or willfully present false information regarding the residency of a student for purposes of enabling that student to attend North High School when the student is known to be a non-resident of District 99.

Upon review of the materials you have submitted, I will schedule a math assessment test and an appointment for you and your student to meet with a guidance counselor. Be advised that the enrollment process includes, but may not be limited to, the following: an interview with an administrator, referrals from the previous schools, placement tests, and residency checks.

Welcome to North High School!

Sincerely,

A handwritten signature in black ink, appearing to be "RS", written over a horizontal line.
