

**District 99 Mission/Vision/Core Values/Student Learner Outcomes**

**Mission**

Every day, the District 99 community works to provide a foundation for students to confidently pursue a future of their choosing.

**Vision**

District 99 will graduate students who are equipped to realize their potential and positively impact their community and the larger world.

**Core Values**

*In collaboration and shared responsibility with students, families and the community, at District 99:*

- **We care.** We prioritize our connections and treat one another with dignity, striving to uphold and support the well-being and contributions of each member of the District 99 community.
- **We trust.** We foster a culture of mutual respect and understanding, believing that each member of the community has the best interest of District 99 students at heart.
- **We belong.** Everyone has a place and voice in District 99. We value and actively seek to understand the perspectives of those around us, shaping our practice to reflect what we've learned.
- **We prepare.** Students will graduate with a sense of their connection to the global community, equipped with the ability to discover their passions and pursue a future of their choosing.
- **We evolve.** We challenge ourselves to continuously question, adjust and improve in order to reach the highest level of achievement in everything that we do.

**Student Learner Outcomes**

Cooperating with parents and community in our responsibility to teach and model, District 99 affirms our desire that students graduate with the following abilities, recognizing that each student is an individual and comes to us with unique capabilities and backgrounds.
