

Return to In Person Instruction Plan Update

February 2022

Return to In Person Instruction Plan

- Return to “Traditional” Full Day Instruction (8 Period Day)
- Lunch Built Into School Day (half to full periods depending on limitations)
- No Remote School Option
- Air Circulation and Cleaning Protocols
- Change effective February 28, 2022: Masks Respectfully Recommended, No Quarantining for Close Contacts

Supports/Interventions

- Additional Counseling and Student Support Services Personnel
- Increased EL/Bilingual Classes and Course Offerings
- Additional Interventionist Personnel
- Continued Tutoring via Paper
- Expanded STRIVE Tutoring (as needed)
- Full Implementation of PATH Program
- Changes effective February 28, 2022:
 - People may choose to mask at any time. People with symptoms, returning from quarantine following a positive test, or exposure to someone with COVID-19 should wear a mask.
 - Respect for individual choice is expected.
 - Wearing of masks on school buses or school vehicles is no longer required.
 - Masks are required in the health offices.
