How can I pay?

Pay for your meal using Cash, Check, or Student ID account

Student IDs with account balances are used for purchases. Shortening the cashier line.

You can add money in a couple of ways

WEB STORE, located on the school's website, secure online payment system to add money to the account. Also, to view balances and purchases.

Students can always pay with cash or check and add money to their account at the cashier stands.

Students must have their ID with them to purchase items at the Coffee Bar & Servery.

Where can I find Menu and Allergy / Nutritional Information?

Nutrislice is our primary tool for menus, allergen, and nutritional information

- You can find it on your school's webpage click on - food service - menu
- Download the free mobile app to your smartphone by searching "Nutrislice" and then your school
- Filter for 9 types of allergens in the upper right circle using food icons.
- If you have questions about allergens. Please reach the Dining Director at rebecca.schultz@compass-usa.com
