2024 ADVANCED PLACEMENT EXAMINATIONS

Through college-level AP courses, you enter a universe of knowledge that might otherwise remain unexplored in high school; through AP Exams, you have the opportunity to earn credit or advanced standing at many of the nation's colleges and universities. Approximately 77% of AP examinations taken by DGN students last year earned grades of 3 or higher. These results brought students opportunities for advanced work and the possibility of savings in college costs.

To determine whether or not you should take an examination, do the following now:

- 1. Consult with your teacher.**
- 2. Find out about AP credit or advance standing policies at the college/university of your choice by checking the website or by calling the admissions office.**

The 2024 AP examinations will be given Monday, May 6, 2024, through Friday, May 17, 2024. You are not considered absent from class during the time you are taking these exams. The schedule for this year is as follows:
