Chicago Conservation Leadership Corps Program Crew Member Job Posting Summer 2024

The Student Conservation Association (SCA) and the Forest Preserve District of Cook County seeks teenagers interested in paid employment this summer. Crew Members will spend their first week learning job skills and will then be deployed to work at a nature center. Members participate in rewarding and valuable physically active projects that benefit nature and community such as trail work, invasive species removal, and fence building. Members work in teams of ten and are supervised by adult leaders. Each week includes time to learn about the local environment. Once a student is hired, they will usually be placed at the preserve that is closest to their home. Members can meet on-site or we can provide transportation from a locally designated pick-up and drop-off site for members who do not have transportation.

Crew Member Duties:

- Arrive on time
- Conduct hands-on service projects
- Properly using hand tools like loppers, bow saws, shovels, rakes, etc.
- Record your work hours, and timesheet
- Follow all program rules and regulations
- Assist with data and photo collection, program wrap-up

Qualifications:

- 14-19 years old (those 14 to 15 need a workers permit).
- Be enrolled in high school or a 2024 high school graduate.
- Willing to work with others as part of a team and be a positive teammate
- Willing to work outdoors doing physically strenuous activities in summer heat
- Be able to commit to attend the whole program (all 5 weeks)
- Complete all hiring paperwork
- Meet either at the worksite or the designated pick-up and drop-off location

Dates of Service:

July 1 - August 2, 2024; Monday-Thursday (except 8/2); 8 AM- 3 PM (no work 7/4)

Salary: \$15.00/hr (28 hours/week)
